Remarks

Welcome to your private Oasis in Olalla's premier waterfront community-Seaview Terrace! With soaring 25 foot ceilings and abundant light, this stunning 3,200+ square foot home has it all. Great room with floor to ceiling windows, newly remolded bright kitchen, sound-view dining room, separate office, large family/game room, and a hand-crafted custom bar. Upstairs, relax in your expansive master suite complete with a large soaking tub, rain shower, and private water-view terrace. Gorgeous, hard-to-find views of Mt. Rainier, Puget Sound, and Vashon Island are visible from almost every room! Whale-watch from both the upper and lower decks, soak in your brand-new hot tub, and make memories with family around the fire in your backyard sanctuary. Low-fee, friendly HOA includes a gated private community beach, boat launch, and reservable waterfront kitchen/pavilion for parties with friends and kayak to the newly restored Olalla Bay Market and Landing! All of this is less than a 10 minute drive to shopping and dining in Gig Harbor. Paradise awaits!
